

Scientific Advisory Committee / Invited Lecturers

Name & surname, E-mail Institution, country, position / expertise

1	<p>Dr. Mike Woods (<i>President, Scientific Advisory Committee</i>) mike.woods@blueyonder.co.uk</p>	<ul style="list-style-type: none"> • Ionizing Radiation Metrology Consultants (IRMC) Ltd. Consultants, United Kingdom • Past President of IRCM (International Committee for Radionuclide Metrology), • Former Head of Science, Radionuclide Metrology Group, National Physical Laboratory, UK • Emeritus Fellow of Nuclear Physical Laboratory, UK
2	<p>Dr. Stephen Ellison s.ellison@lgc.co.uk</p>	<ul style="list-style-type: none"> • Head, Bioinformatics and Statistics section at LGC, United Kingdom • Chairman of EURACHEM, active on Eurachem's Measurement uncertainty and traceability, Sampling, and Qualitative analysis Working Groups • Co-author of the EURACHEM guide "Quantifying Uncertainty in Analytical Measurement" • Co-author, IUPAC Technical Reports on Use of Recovery Information in Analytical Measurement, Single Laboratory Validation of Methods of Analysis, and of the International Harmonized Protocol for the Proficiency Testing of analytical chemistry laboratories. <ul style="list-style-type: none"> • A recognised international expert in measurement uncertainty principles applied to analytical methods, contributes to a range of national and international committees in that field • Current research and expertise on: statistics for interlaboratory studies, reference material certification and stability, treatment of uncertainties and observations near zero, and in more general development of measurement uncertainty and traceability in analytical chemistry.
3	<p>Dr. Uwe Waetjen uwe.waetjen@ec.europa.eu</p>	<ul style="list-style-type: none"> • Sector Head Radionuclide Metrology (at IRMM, EC-JRC) • Member of the International Committee for Radionuclide Metrology (ICRM) • Member de Comité Consultatif des Rayonnements Ionisants, Secteur II/ CCRI(II) • Contact Person in the EURAMET Technical Committee - Ionising Radiation • Contact Person in the EURAMET Technical Committee - Interdisciplinary Metrology
4	<p>Professor Dr. Peter Bode P.Bode@tudelft.nl</p>	<ul style="list-style-type: none"> • Radiochemistry and Nuclear Technology, Delft Univ. of Technology, Faculty of Applied Sciences, Dept. of Radiation, Radionuclides and Reactors, Section Radiation & Isotopes for Health

		<ul style="list-style-type: none"> • Scientific Adv. to the Lab. for NAA, Reactor Institute Delft, Delft Univ. of Technology • Deputy Quality Manager, Reactor Institute Delft, Delft University of Technology, The Netherlands • IAEA Expert • Professor, Centro de Energia Nuclear na Agricultura of the University of Sao Paulo, Brazil
5	<p>Dr. Brian Brookman brian.brookman@lgc.co.uk</p>	<ul style="list-style-type: none"> • Product Manager * Proficiency Testing, LGC Standards, United Kingdom • Chair of the EURACHEM Proficiency Testing Working Group • Chair of the EA-EUROLAB-EURACHEM Joint Working Group on Proficiency Testing in Accreditation Procedures • Member of the ILAC (International Lab. Accreditation Cooperation) Proficiency Testing Consultative Group • Member of the EA (European Co-operation for Accreditation) Laboratory Committee • UK and EURACHEM representative on the Steering Board for the EPTIS Proficiency Testing Information System • ILAC representative on the ISO/CASCO W.G. developing the new ISO / IEC 17043 standard “Conformity assessment – General requirements for Proficiency testing”
6	<p>Dr. Peter Vermaercke pvermaer@sckcen.be</p>	<ul style="list-style-type: none"> • Head NAA Laboratory, SCK-CEN, and • Quality Coordinator of SCK-CEN, Mol, Belgium • IAEA expert • Member of the International Scientific Committee for k0-NAA
7	<p>Dr. Tony H.L. Aalbers taalbers@xs4all.nl</p>	<ul style="list-style-type: none"> • EURAMET Convenor for Radiation Dosimetry • EURAMET Technical Committee for Ionizing Radiation • NMi Van Swinden Laboratory, Delft, The Netherlands • Senior scientist/ consultant for a number of national and international organizations (technical/ training projects for national governments, EC and IAEA) • Chair of the CCRI- RMO WG (WG of the Regional Metrology Organisations of the Consultative Com. for Ionizing Radiation) • Chair of the WG for dosimetry protocols of the Netherlands Commission on Radiation Dosimetry • Member of the assessment teams of UKAS, SCC (Standard Council of Canada) and RvA (Dutch Council for Accreditation)

8	Eng. Daniela Cucu dcucu@renar.ro	<ul style="list-style-type: none"> • Director Accreditation RENAR, Romania • Member of the Directorial Board of EURACHEM-Romania
9	Dr. Halina Polkowska-Motrenko hpolkows@ichtj.waw.pl	<ul style="list-style-type: none"> • Head, NAA laboratory, Institute for Nuclear Chemistry and Technology, Warsaw, Poland • Member of EURACHEM Proficiency Testing Working Group
10	Dr. Maria Sahagia msahagia@ifin.nipne.ro	<ul style="list-style-type: none"> • Head, Radionuclide Metrology Laboratory, IFIN-HH, Romania • Member of the International Committee for Radionuclide Metrology (ICRM). • International Atomic Energy Agency (IAEA) Expert in Dosimetry
11	Professor Dr. Octavian Sima osima@olimp.fiz.infim.ro	<ul style="list-style-type: none"> • Nuclear Physics Dept., Faculty of Physics, Bucharest University, Romania. • Member of the KASCADE-Grande collaboration, Karlsruhe, Germany • Member of the ICRM Gamma - Ray Spectrometry Working Group • Co-author of the GESPECOR software for Gamma- ray Spectrometry
12	Professor Dr. Kaj Heydorn heydorn@kemi.dtu.dk	<ul style="list-style-type: none"> • Technical University of Lyngby, Denmark • Former Head of the NAA Lab., National Risø Institute • Tech. coop. expert International Atomic Energy Agy., UN, 1989-96 • Technical assessor Danish Accreditation Board, 1992. • Mem. European Comm. Adv. Group on Cert. of Ref. Materials, 1995-98 • Member of the Academy of Technical Sciences, Denmark • Editor Proceed. ,Modern Trends in Activation Analysis' Int. Conf., 1987 • Eurolab Denmark prize, Internat. Orgn. of Eurolab, Brussels, 1996. • European Consortium Metrology in Qualitative Analysis
13	Professor Dr. Zeev Alfassi alfassi@bgu.ac.il	<ul style="list-style-type: none"> • Chairman of the Department of Nuclear Engineering • Professor of Radiochemistry, Ben Gurion University, Beer Sheva, Israel • Former President of the Israeli Society for Nuclear Sciences
14	Dr. Comsa Olivia <i>(President of the Organizing Committee)</i> olivia.comsa@g.mail.com	<ul style="list-style-type: none"> • Counselor EURATOM and Adviser of National Agency for Scientific Research on Nuclear energy policy, strategies, programs & projects • Representative ANCS to CCE- FISSION; CCE FUSION; EFDA Steering Committee; GIF Steering Committee • National Contact Point and EU Integration Counselor for EURATOM

		<ul style="list-style-type: none"> • Coordinator, European Projects under FP5 and FP6 Framework: ENEN, NEPTUNO, CETRAD, REDIMPACT, COWAM • Member of: IAEA WG on Nuclear Law and Regulations, IAEA-OECD Uranium Group, EU WG on Nuclear Education, EAES WG on Nuclear Policy and Strategy • Expert of CCE-Fission and Coordinator of studies & research projects in the field (nuclear power and technologies, new reactor concepts, etc.
15	<p>Dr. Emanuela Cincu <i>(Workshop Director)</i> cincue@nipne.ro</p>	<ul style="list-style-type: none"> • Head ,ACTIVA-N' Lab., Applied Nuclear Physics Department, IFIN- HH, Romania • First nuclear Laboratory accredited according ISO/IEC 17025 (2004) having international expertise / Audit • Organizer, Workshop on Internal Audit in Applications of Nuclear Analytical Techniques (IAEA, IFIN-HH), May 2001, Bucharest, Romania (Regional IAEA Project RER 002/004) • Organizer, first International Workshop on "Applications of the Ionising Radiations to Industry, Health & Environment", IWIRAD 2005, June 2005, held in Bucharest, Romania
